Whatever

Indifferent
Indifferent
Because when i care
When i beat my chest
I do it for me
Not for you
Indifferent
Indifferent
That is for me
The best way to be
It is most true

Whatever
Whatever
Deep down it matters not
A few years in the end
Is all we've got
We fight
We fight
We think we're right
But we do it
For ourselves
To feel something
Anything

Fine
Fine
Kurt said
Oh well
Nevermind
That is so
Let it go
And when you chant
And when you yell
I can tell
You do it for you
Oh well
Whatever
whatever
