

WHEN I WAS

there was a time when i was (G, Dm)
at least i thought i was (C)
an upstanding gentleman (G)
someone to reckon with (Dm)
i thought i was (C)

there was a place
when i was
at least i felt i was
free of pain
dancing in the rain
well i once was

oh, i once was (C)
ya, i once was (D, Em)

there was a way
when i was
well i surely was
perfect and complete
driving down any street

now its now
and i have to face my reality
oh how i wish i could see
how i once was
