

680-1000
Win a prize

Is that what it takes
Win a prize
Another bribe
I surmise
Such a cynic
Prizes are fun
For me for you
For everyone

Go to sleep
win a prize
Parenting
I'm so wise
I just want you
To leave me be
Win a prize
Set me free

Do good work
Win a prize
Esteem yourself
In another's eyes
Don't you know
It's a disguise
When you always need
To win a prize
