Wine with dinner

Wine with dinner  
No big deal  
A glass of pino  
A piece of veal  
A bottle of the finest  
Cabernet  
Partners well  
With a nice filet

Wine with dinner  
Turned into wine at lunch  
A cheaper bottle  
No food to munch  
A full belly  
Slows the effect  
A few quick glasses  
And soon i'm wrecked

Wine with dinner  
Wine with lunch  
You know where this is heading  
You have a hunch  
By 10am  
It's johnny red  
Keep it up  
I'd soon be dead

Wine with dinner  
Was Such a treat  
But soon admitted  
My defeat  
So no more bottle  
Coffee's fine  
But boy i miss  
The taste of wine
