Wonderful space

It's a wonderful space  
Wonderful space  
Cozy and warm  
Listen to the storm  
Outside in the gray  
I feel comfort today  
In this wonderful space  
It's a delicious place  
Delicious place  
Listen to the crackle  
Of the fire  
Days like these  
Are all i desire  
No hectic pace  
No riches to chase  
Just quiet  
And peace  
In this wonderful, wonderful  
space
