936-1000 Would you fly to the stars

Lets' say Someone said A trip to the stars Could be yours All expenses paid All worldly things laid out before you Like a book, like a dream A journey to the end of time Your time All time as we know time Would you Would you fly to the stars Would you place a kiss on the forehead of the known And wave goodbye Three two one And away Or Would you stay And say goodbye To the stars To the universe I know my answer This one's easy So easy Goodbye stars Hello you
