

426-1000
You may feel

You may feel
Like i let you down
That i wasn't there
Or that i didn't care

You may feel
That i understood
Like i was on the inside
Looking out

You may feel
That i am a rock
A force

You may feel all of these things
Or none
But what i know
Is that i won't run
Which i hope
helps you feel
fine
